

Decathlon Ireland is looking for YOU!

WEBSITE TECH LEADER

You are a passionate sportsperson and technology enthusiast, who likes to take up challenges and work in a fast growing environment? Join our Decathlon Ireland Team!

The worldwide company Decathlon is moving to Dublin to make sport accessible to Irish people. We are looking for energetic and motivated individuals to boost our **e-commerce activity**, improve our Web-strategy, create the foundations of an Omni-channel business in Ireland.

WORKING FOR DECATHLON

By working in our company, you will truly find a sense in your job by making sports accessible for the many in Ireland. You will be part of a worldwide company full of energy and opportunities. At Decathlon, we do sports every week with our teammates, and we motivate each other through our common vitality.

In a developing start-up spirit, your creativity, your energy and your motivation will always be valued and rewarded. You will have the chance to be part of our pioneer team in Ireland, and set the roots of the company in Dublin!

YOU WILL BE PART OF THE TEAM RESPONSIBLE FOR

- Website improvement and continuous evolution
- IT environment support for Ireland
- Technical support for our teams
- Share your knowledge, train and manage the whole team on IT topics (Even our CEO & CFO will need your help!)
- Operational leader for the sport you love

YOU ARE

- An active sportsperson, passionate about sport & sport products!
- **Very knowledgeable and comfortable with HTML/CSS**
- **Technology enthusiast**
- Prior experience in the sport industry would be a plus
- Excellent problem-solving skills and resourceful
- Excellent interpersonal skills
- Ability to take decision and initiative

RECRUITMENT PROCESS

Send your Resume and cover letter to gregoire.sarton@decathlon.com.

Tell me what your passion sport is!
