

If you have purchased the following racket: BR720 or BR730 SOLID - ARTENGO - Ref. 8329345

We ask that you please discontinue using this product.

During our safety and quality checks, the ARTENGO teams have found a defect with the joint between the racket's head and shaft. There is a risk of these two parts coming apart during use. It is possible that the head may separate from the shaft during play and hit a player. As a precaution, we have decided to recall the BR720 and BR730 Solid rackets sold between **01 FEBRUARY 2015 and 21 FEBRUARY 2018**.

If you have one of these rackets, please return it to a DECATHLON store for a refund.

Our customer support centre is available to answer any questions you may have, on **(+33) 0805560560, from Monday to Saturday, 9 am to 8 pm.**

Thank you for your understanding and please accept our apologies for the inconvenience.
