As part of our quality and safety process, our teams of the Oxelo brand have determined that some components of the scooter do not reach the desired level of quality and they have identified a fragility in the handlebar which could lead to progressive cracking and breakage in case of intensive use.

Please send your scooter to our Decathlon Northampton warehouse location:

Decathlon Logistics UK
Unit 200 Caswell Road
Brackmills Industrial Estate
Northampton - NN4 7PW
United Kingdom

A technician will make an evaluation and, if necessary, they will replace the defective part with a new one for free. **Please send us a copy of your shipping receipt so we can reimburse your shipping costs.**

➤ **WARNING : WE KINDLY ASK YOU TO STOP USING THIS PRODUCT BEFORE TAKING IT TO A STORE**
